Mobile Dental Clinic in association with University of California at  
San Francisco, Kibbutz in Israel

## **Education**

- December 1989      Harvard Seminars in Implant Dentistry  
Harvard School of Dental Medicine, Boston, Massachusetts  
**Certificate in Implantology**
- August 1987        University of Gothenburg, Branemark Clinic, Gothenburg, Sweden  
**Branemark Surgical Certificate**
- May 1983            Emory University School of Dentistry, Atlanta, Georgia  
**Certificate in Periodontics**
- June 1980           Metropolitan Hospital, New York, New York  
**General Practice Residency in Dentistry**
- May 1979            University of Connecticut School of Dental Medicine  
Farmington, Connecticut  
**DMD**
- May 1975            Colgate University, Hamilton, New York  
**BS in Biology**

## **Hospital Associations**

Yale-New Haven Hospital, New Haven, Connecticut  
Visiting Attending

## **Dental Licenses**

Connecticut  
Florida  
NERB's

## **Professional Organizations**

Academy of Osseointegration  
Alpha Omega  
American Academy of Periodontology  
Periodontal Plastic Study Club, AAP  
American College of Dentistry  
American Dental Association  
Bridgeport Dental Association  
Connecticut Society of Periodontics  
Connecticut State Dental Association  
Fairfield County Dental Club  
Northeastern Society of Periodontics  
Pierre Fauchard Academy

## **Professional Honors**

Fellow, American College of Dentistry  
Fellow, Pierre Fauchard Academy  
Who's Who in Dentistry  
Voted one of the "Best Dentists in the United States" - 2002, 2003, 2004, 2005  
Honorary Membership in Indian Academy of Periodontology

## LECTURES PRESENTED

- 1986 Surgical Management of Anterior Teeth  
Park City Hospital Dental Staff, Bridgeport, Connecticut
- 1986 Root Coverage, A Clinical Reality  
Bridgeport Dental Association, Bridgeport, Connecticut
- 1986 Current Status of Bone Grafting  
Bridgeport Dental Meeting, Bridgeport, Connecticut
- 1987 Periodontal Esthetics  
Greater New York Dental Meeting  
New York, New York
- 1987 Crown Lengthening Procedures and the Biologic Width  
Bridgeport Dental Association, Bridgeport, Connecticut
- 1987 Esthetics in Periodontics  
Mid-Manhattan Periodontal-Prosthetic Study Club, New York, New York
- 1987 Periodontal Incision Designs and Suturing Techniques  
Connecticut State Dental Association Annual Meeting
- 1988 The Status of Periodontal Regeneration  
Fairfield, Connecticut
- 1988-1989 Introduction to Periodontal Surgery  
Mucogingival Therapy  
Root Coverage Techniques  
Handling the Compromised Maxillary Anterior Teeth  
Post Graduate Residency in Periodontics  
New York University College of Dentistry, New York, New York
- 1989 Treatment Planning for Periodontal Surgery  
Post-Graduate Residency Program in Periodontics  
New York University College of Dentistry, New York, New York
- 1989 Concepts in Periodontal Surgery  
Connecticut State Dental Association  
Annual Meeting, Hartford, Connecticut
- 1989 Subtleties of the Periodontal Examination  
Connecticut Society of Periodontics  
Hygiene Meeting  
Yale University, New Haven, Connecticut
- 1990 Treatment Planning with Dental Implants  
New York University Specialty Study Club  
New York University Dental School, New York, New York
- 1990 Plastic and Reconstructive Periodontal Surgery  
Greater New York Dental Meeting, New York, New York
- 1990 Use of Computerized Assisted Tomographic Stent for Surgical Implant Placement  
Annual Meeting, American Academy of Periodontology, Dallas, Texas

- 1990 The DentaScan in Implant Treatment Planning  
Post Graduates, Faculty and Residents in Periodontics  
University of Connecticut, School of Dental Medicine
- 1990 The Use of a Radiographic Stent and Marker System for Implant Treatment Planning  
Post Graduate Oral Surgery, Prosthetic and Periodontal Residents and Faculty  
Emory University, Atlanta, Georgia
- 1990 Anterior Aesthetic Periodontal Surgery  
Post Graduate Periodontal Residents and Faculty  
Emory University, Atlanta, Georgia
- 1990 Periodontics for the 90's  
Keynote Speaker, Connecticut State Dental Association Annual Meeting  
Wallingford, Connecticut
- 1990 Maintenance of Dental Implants  
Connecticut State Hygiene Association  
Yale University, New Haven, Connecticut
- 1990 Implant Treatment Planning & Maintenance  
Gateway Hygiene Association, Darien, Connecticut
- 1990 Treatment Planning for Dental Implants  
Bridgeport Dental Association, Bridgeport, Connecticut
- 1991 A Total Approach to the Periodontal Patient  
Bridgeport Dental Hygiene Association, Bridgeport, Connecticut
- 1991 The New Classifications of Periodontal Diseases  
Connecticut Society of Periodontists Hygiene Meeting  
Yale University, New Haven, Connecticut
- 1991 Perio-Plastic in Periodontics  
Attending Staff – Yale-New Haven Hospital, New Haven, Connecticut
- 1991 Use of the DentaScan for Implant Treatment Planning  
Implant Study Club, Fairfield, Connecticut
- 1991 The Perio-Prosthetic Connection in Treatment Planning  
Fairfield County Advanced Study Club, Fairfield, Connecticut
- 1991 Aesthetic Periodontal Surgery for Maxillary Anterior Teeth  
International Meeting, American Academy of Periodontology, Vancouver, CANADA
- 1991 Treatment Planning Concepts for Dental Implantology  
Naugatuck Dental Association, Naugatuck, Connecticut
- 1991 Delayed vs. Immediate Placement of Dental Implants  
Hartford Dental Implant Society, Hartford, Connecticut
- 1992 Treatment Planning Concepts for Ideal Implant Placement  
Yankee Dental Congress, Boston, Massachusetts
- 1992 The Maintenance Visit, Mouthwashes and Effective Ways to Remove Stains  
Connecticut Society of Periodontists Annual Dental Hygiene Meeting  
Yale University, New Haven, Connecticut
- 1992 Regenerative Periodontics  
Bridgeport Dental Hygiene Association, Bridgeport, Connecticut

- 1992 Utilization of Stents to Determine Ideal Implant Placement  
Greater Atlanta Study Club, Atlanta, Georgia
- 1992 Predictable Aesthetic Periodontal Surgical Techniques  
Emory University, Department of Periodontics, Atlanta, Georgia
- 1992 Patient-Centered Periodontal Treatment Planning  
Full-Day Course  
Tufts University, School of Dental Medicine, Boston, Massachusetts
- 1992 Comparison of the Subepithelial Connective Tissue Graft and the Free Gingival Graft  
Lunch and Learning  
Northeastern Society of Periodontics, New York, New York
- 1992 Treatment Planning for Ideal Implant Placement Utilizing Radiographic Stents  
Annual Meeting, American Academy of Periodontology, Orlando, Florida
- 1993 Periodontal Surgical Designs and Techniques  
Yankee Dental Congress, Boston, Massachusetts
- 1993 Comparison of the Accuracy of the Periapical, Panoramic and Computerized Tomographic  
Radiographs in Locating the Mandibular Canal and its Clinical Ramifications  
Academy of Osseointegration, 8<sup>th</sup> Annual Meeting, San Diego, California
